

Dear Parents,

This year, the staff at White Pine Academy would like to encourage our students to participate in some form of community service. We are calling this program, "Project CARE". As your child does community services, they will record their number of hours and turn in the appropriate attached sheet to receive a certificate/Wildcat for their hard work. We are very excited about this learning opportunity for our students as they learn the value of helping others, build their individual character and become upstanding citizens. In our classrooms, we work on becoming well-rounded individuals as well as our school values and community duties. Being a person of good character is important in our world and in building positive self esteem. By doing community service, your child is making a wonderful difference in our world.

Thank You!

Some ideas for "Project CARE" activities:

- raking leaves
- helping take care of pets
- volunteer babysitting
- shoveling snow for a neighbor
- helping at school functions
- work concessions at WPA games
- visit nursing homes
- bake sales
- writing letters to our armed forces, the elderly, etc.
- donating clothes
- offering to do odd-jobs for neighbors
- helping with younger grade children
- helping take care of the school
- volunteering at lunch
- have a craft sale and donate the money to a worthy cause
- food drives

*This list is a starting point for ideas. You may think of your own activities and add them on.
